I. INTRODUCTION

The University of Alabama in Huntsville (UAH) VISA Procurement Card (P-Card) Program is designed to allow most Cardholders to handle authorized purchases up to **\$2,999.99 per single transaction** including freight without delays or paperwork that can accompany larger transactions. The Procurement Card (P-Card) is another means of making a purchase that has been tailored to meet the needs of each participating department.

As participants in this P-Card Program, you are part of an on-going effort to meet the goals of reduced administrative costs for the purchasing of commodities, increased customer service, and establishing appropriate oversight for differing types of purchases. You can help the University achieve the Program goals by using the P-Card in accordance with the Program Policies, and by encouraging participation in the Program among both employees and vendors. Finally, remember you are representing the University each time you use the P-Card. You are acting as an agent of the University, and as such you must be aware of the Procurement Code of Ethics; see Code of Ethics on page PC-25.

****Note: The P-Card Policies DO NOT necessarily mirror the Requisition/Purchase Order Policies.***

I.1. Purpose

The purpose of this guide is to establish policies and procedures under which departments of UAH must control the use of the P-Cards issued to their authorized employees to purchase commodities on behalf of the University. This guide is intended to accomplish the following:

- Ensure purchases made with the P-Card are accomplished in accordance with State, Federal, and University policies and procedures.
- Ensure appropriate internal **controls** are established within each department using P-Cards.

The P-Card Program utilizes both internal management controls and a number of P-Card Vendor Software management reports to ensure the P-Cards are being used in accordance with UAH policies and procedures.

- Ensure the University bears no legal liability for inappropriate use of UAH P-Cards.

All transactions using the UAH P-Card must benefit and support the University's mission of education, research, and public service. Use of the P-Card for personal purchases is **strictly prohibited**. Procurement Services is responsible for monitoring the effectiveness of the P-Card Program and user compliance with

the procedures outlined in this manual. The P-Card represents the University's trust in you and your empowerment as a responsible employee of the University to safeguard and protect the University's assets. As a Cardholder, you assume the responsibility for the protection and proper use of the P-Card

I.2. Benefits

Cardholders — Since vendors will be paid by the P-Card Vendor within 48 to 72 hours of each transaction, credit holds placed on the University Campus will cease to occur. The P-Card Program will significantly reduce the workload and processing costs related to the purchase and payment of ordered goods.

The University — A built-in card feature makes the program easy to control and manage. It also reduces processing costs at all levels by reducing the number of invoices and checks processed, and empowering the individual to make purchases and allocate expenses as needed. It will allow Procurement Services and Accounts Payable to focus on higher yield, value-added activities.

Vendors — The P-Card will be welcomed by vendors who accept credit cards. Vendors will receive cash payment from the Procurement Card Vendor within 48 to 72 hours of the transaction. Vendors will experience a reduction of credit risk, reduced billing and collection costs, a reduction in the time and cost associated with credit checks, and possibly increased sales opportunities.

II. HOW TO BECOME A PARTICIPATING DEPARTMENT

- Contact Procurement Services and request a copy of the Procurement Card application form (Figure PC-2). (pcard@uah.edu)
- Designate Department Reconciler(s) and Approver(s). Your Department Reconciler(s) should be the Budget Manager or someone familiar with the department's organization codes. Your Department Approver(s) should be the Supervisor, Director, Dean, or Department Head of the selected Cardholder(s) and Reconciler(s).
- Designate state appropriated or grant accounts to be utilized for the P-Card.
- Participants must receive training for Policies, Procedures, and P-CARD VENDOR software.

III. HOW TO BECOME A CARDHOLDER

- Your application must be approved by your Dean, Director, or Department Head.
- You must review and understand the Policies and Procedures Manuals.

- You must receive training for Policies and Procedures.
- You must sign the Cardholder Agreement (Figure PC-4), and the Delegation Authority (Figure PC-5), at the time you are issued a P-Card.
- The University P-Card issued in your name is the property of the Procurement Card Vendor, and is to be used for **Official University Business Purchases Only**.

IV. PARTIES INVOLVED

Card Issuer — The Procurement Card Vendor's services include issuing P-Cards to UAH employees, providing electronic transaction authorizations, and billing the University for all purchases made on the cards.

Also ensures that all proper supporting documentation has been provided, uploads transactions and batching to Banner, and trains the Reconcilers for the monthly report reconciliation in P-CARD VENDOR SOFTWARE and Banner.

Cardholder — An employee who is approved by the Director / Dean / Department Head to use the Procurement Card to execute purchase transactions on behalf of the University.

V.3. Approving Official

Designated Approving Officials can be Deans, Directors, Department Heads, Budget Managers, or Principal Investigators, or their designee, who have fiscal responsibility for the organization code to which P-Card transactions are charged. They are responsible for oversight of departmental budgets and assistance for department Cardholders and Reconcilers. Responsibilities include:

- Sign the Summary report (Reconciliation Sheet) for all reconciled the Procurement Card Vendor's transactions each month.
- Assign an alternate Approving Official in his/her absence.

VI. CHANGE IN APPROVING OFFICIAL

If an Approving Official transfers to another department or separates from the University, notification must be made to the Senior Procurement Card Site Coordinator. This is done by submitting a completed Procurement Card Approver Update Form (<http://www.uah.edu/business-services/faculty-staff/p-card-services/forms>)

VII. OVERSIGHT FOR THE PROCUREMENT CARD PROGRAM

Procurement Services holds the responsibility for the audit practices and P-Card Program management. Reconcilers/Approving Officials can be called upon to meet with auditors during routine and special Cardholder audits.

VII.1. Procurement Services

- Review Department approved applications (Figure PC-2) for completeness of required information.
- Request P-Cards based on completed applications for the Procurement Card Vendor.

- Audit P-Card transactions.
- Notify Accounting that the master statement is ready for payment.

VIII. OBTAINING A PROCUREMENT CARD

VIII.1. General

For the purposes of efficiency in administration and management, only approved and trained department Cardholders are authorized to make purchases of materials and supplies, directly from the vendor when the dollar value of the purchase is \$2,999.99 or less including freight. The P-Card is another means of making a purchase. University Cardholders do not have to contact Procurement Services before placing an order using the P-Card for these small allowable purchases. All University policies and procedures for the expenditure of funds must be followed. If the department wishes to route the purchase through Procurement Services, normal procedures for processing a requisition must be followed.

NOTE: Warranted exceptions may be granted by the Director of Procurement & Business Services or Associate Vice President of Finance & Business Services.

VIII.2. Setting Up Your Department

The organizational structure for your success with the P-Card already exists within your department(s). Directors / Deans / Department Heads and Budget Managers have some liberties available to them within program parameters when setting up their own P-Card Programs. More than likely those employees who are currently responsible for placing orders should be Cardholders in the P-Card program. Those employees who are responsible for processing payments on purchase orders should be Department Reconcilers. An Approving Official must be designated to sign the reconciled monthly Cardholder report.

VIII.3. Budget Limitations

Each Director / Dean / Department Head and Budget Manager will have the ability to customize each P-Card according to the budget limitations of his/her department.

VIII.4. Separation of Duties

A separation of duties must be followed with the P-Card Program, as with any other financial transaction. The person placing the order and/or reconciling it must not be the same person who ultimately approves all P-Card transactions listed on the Procurement Card Vendor monthly statement and Reconciliation Report. *For example, a Cardholder cannot also act as the Approving Official for their own transactions.*

VIII.5. Cardholder Eligibility

The criteria to receive a P-Card are as follows:

- Individual Applicant must be employed full-time by UAH.
- Applicant's request for a P-Card must be approved by his/her Director, Department Head, or Dean.
- Employee must attend a training session for policies and procedures.

Each individual Cardholder must sign a Cardholder Agreement (Figure PC-4) and the Delegation Authority (Figure PC-5) prior to receiving the P-Card.

VIII.6. Cardholder Liability

The P-Card is a corporate VISA or Mastercard charge card which will not affect the Cardholder's personal credit. However, it is the Cardholder's responsibility to ensure that the card is used within stated guidelines of the P-Card Program, as well as Policies and Procedures relating to the expenditure of University funds. Failure to comply with program guidelines may result in permanent revocation of the card, notification of the situation to management, and further disciplinary measures that may include termination. The P-Card must never be used to purchase items for personal use or for non-University purposes even if the Cardholder intends to reimburse the University. A Cardholder who makes an unauthorized purchase with the P-Card or uses the P-Card in an inappropriate manner will be subject to disciplinary action including possible card cancellation, termination of employment, and criminal prosecution. If a University employee is in a position to obligate the University, that employee is entrusted with the responsibility of protecting the University from harm.

IX. APPLYING FOR A PROCUREMENT CARD

1. The Dean's Office, Director, Department Head, or Budget Manager will decide who should receive a Card. The Approving Official will forward a Cardholder Application Form (Figure PC-2) to authorized user applicants.
2. The prospective Cardholder will complete the application for a P-Card. A default departmental Fund, Organization, and Program must be assigned, and a monthly spending limit must be determined.
3. The Dean, Director, Department Head, or Budget Manager with budgetary responsibility for the organization codes will approve the monthly spending limit for the Cardholder.
4. The Dean, Director, Department Head, or Budget Manager must sign the Application for the P-Card and agree to the Cardholder Agreement.
5. The Approving Official should verify the information and forward the signed and approved Cardholder Application Form to the Senior Procurement Card Site Coordinator in Procurement Services.
6. The Senior Procurement Card Site Coordinator will review the Application and, if in order, transmit the information to the P-Card Vendor.
7. The P-Cards will be delivered to the Senior Procurement Card Site Coordinator in Procurement Services. Upon completion of the University Procurement Card training program, the Cardholder will be asked to sign the Cardholder Agreement (Figure PC-4) and the Delegation Authority (Figure PC-5) prior to receiving the P-Card.

IX.1. Cardholder Purchase Limits

Cardholder monthly purchase limits as noted on the Cardholder Application Form (Figure PC-2) **should be carefully decided according to the funding source or contract associated with the card, and monthly spending requirements.** Single transactions must not exceed \$2,999.99 including freight charges (limit adjusted according to departmental need). Cardholder monthly limits will be monitored and adjusted as needed.

Ghost Cards are granted for specific contract vendors that are paid on a recurring monthly basis. The per transaction limit on Ghost Cards are based on the monthly contract payment.

Note: Credit limit increases, temporary increase in per transaction limit or authorization for an exception “may” be granted for reasons such as: (a) it is travel related, (b) you are making a purchase from a contract vendor, (c) credit card payment is required by the vendor, (d) or as deemed required by the Associate Vice President for Finance & Business Services or the Director for Procurement & Business Services. (Procurement Card Exception Request Form, Figure PC-15) Also, any transactions from the current Contract Vendor over \$25,000 are signed by the Senior Vice President for Finance or his designee.

IX.2. Cardholder Travel

Cardholders who request Travel funds on their P-Card must first request the additional funds be added to their card. A Purchase Request submitted by the Department Reconciler must duplicate the University’s Travel Authorization. When the Purchase Request is approved, the Department Reconciler will print a copy and forward it to you for signature (retain a copy for incidental reimbursement items). *A copy of the completed University Travel Authorization can be attached in place of the cardholders and approvers signature.*

Immediately after you have completed the trip, forward all receipts for airfare, lodging, car rental, conference fees, and miscellaneous items (other than meals) to the Department Reconciler with the approved Purchase Request. Personal Purchases including meals are not allowed. In the event of human error, the cardholder must submit payment for unallowable charges to General Accounting immediately after completion of trip. (Send check to Accounting.) Always remember to review the university travel policies prior to traveling (<http://www.uah.edu/finance/travel-information>).

IX.3. Card Security

Each department must determine how to secure their cards. In some cases, it may be appropriate for individuals to carry the cards in their own personal wallets. In other cases, the cards may be stored in a secure place within the department and checked out as needed. In either case, the P-Card numbers should be protected as any blanket or department Purchase Order number would be. The individual's name that appears on the card bears the responsibility for all purchases made with that particular card.

IX.4. Card Sharing

It is permissible for a Cardholder to share his/her card with another individual for the purpose of picking up ordered items locally, placing orders verbally, or over the internet. In granting this secondary use authorization, the Cardholder remains directly responsible for the proper use of the card in accordance with established procedures. Therefore, the Cardholder must take great care in explaining the proper use of the P-Card to the secondary user.

A **Procurement Card Authorization Memo** (Figure PC-1) and **Delegation of Authority for the Procurement Card** (Figure PC-5) are provided for your use when sharing your P-Card. A Procurement Card Log should be also set up to track the use of the card by the secondary user. The Authorization Memo serves to introduce the secondary user to the supplier and authorizes the use of the card by this individual. The items to be charged to the P-Card can be listed on the Authorization Memo. The Delegation of Authority is an agreement that the secondary user should be asked to read and sign to formally accept the responsibility of using the University's Procurement Card. These forms should be revised to reflect each department's unique information and printed on department letterhead.

IX.5. Lost, Misplaced, or Stolen Procurement Cards

Cardholders are required to immediately report any lost or stolen P-Card directly to the Procurement Card Vendor toll-free at (24 hours a day, 365 days a year). The Cardholder must also notify his/her Department Reconciler and the Senior Procurement Card Site Coordinator about the lost or stolen card at the first opportunity during normal business hours.

IX.6. Cardholder Termination

A P-Card account must be closed if a Cardholder: (a) transfers to a different department, (b) terminates employment or (c) for any of the following reasons which may also subject Cardholder to disciplinary action in accordance with University Policies and Procedures:

- The P-Card is used for personal or unauthorized purposes.
- The P-Card is used to purchase alcoholic beverages or any substance, material, or service which violates policy, law, or regulation pertaining to the University of Alabama in Huntsville.
- The Cardholder splits a purchase to circumvent the State of Alabama bid law or the limitations of the P-Card.
- The Cardholder uses another Cardholder's card to circumvent the purchase limit assigned to either Cardholder, or the limitations of the P-Card.
- The Cardholder fails to provide the Department Reconciler with required itemized receipts or facsimile thereof.
- The Cardholder fails to provide, when requested, information about any specific purchase.
- The Cardholder does not adhere to all of the P-Card policies and procedures.

X. USING THE GRANT PROCUREMENT CARD

The Grant P-Card may be utilized for grant purchases, however, the use of the card for a grant or contract requires some forethought. The purchasing authority has been transferred to you through issuance of the card, while charging approval resides with the PI or the PIs designee. You must clearly understand what constitutes an allowable charge to your particular program. You should be aware, for example, items that should already be present within an office such as pens, pencils, paper, etc. are typically considered unallowable as a direct charge on a grant or contract. If you have questions related to allowability, the Office of Contracts & Grants Accounting staff is available to assist you.

<http://www.uah.edu/c-g>

** Cardholders (PIs) must be aware of the regulations and guidelines applicable to each account. Funds must be available before charges are made, if allowed.

When the P-Card is used for a grant or contract purchase, those purchases must comply with the terms and conditions of the award, award budget, and all the P-Card Program policies and procedures. Purchases must also be made within the time frame of the award. If a purchase is made on a contract or grant, agency award requirements will dictate the length of time that the department must maintain the receipts to support the purchase and be available for audit.

If P-Card purchases from a grant or contract are determined (by audit or otherwise) to be unallowable on the grant or contract, charges will be transferred to the department's home labor account.

- A Grant Purchase Request does NOT have to be submitted for the purchase of commodities \$2,999.99 or lower. Prior to purchasing commodities \$2,999.99 or lower submit an email to your Contracts & Grants Accountant (CGA) detailing your required purchase. **Note:** A print out of the approval email from CGA must be included in the reconciliation packet with the receipt. ** (See notes below)
- **Emergency and out in the field purchases only:** It is not required that the cardholder delay purchases of commodities \$2,999.99 or lower, until the Contracts & Grants Accounting (CGA) email approval is received.

Prior to purchasing commodities \$2999.99 or lower, submit an email to your Contracts & Grants Accountant (CGA) detailing your required purchase. **If this is an emergency or out in the field purchase**, do not wait on the approval to make the purchase. **Note:** When the approval is received, a print out of the approval email from CGA must be included in the reconciliation packet with the receipt. In addition, there must be a statement explaining the emergency or that you are out in the field included with the paperwork. This exception to the process is meant to address emergency and out in the field issues only, and is not meant to replace the normal Grant Procurement Card purchase process, where you must wait on the email from CGA approving the purchase.

However, if the commodities charged are deemed unallowable, the charges will be transferred to the default org on the cardholder's application.

It is the cardholder's responsibility to verify before purchase of commodities that each vendor is not currently debarred. To search vendor's debarment status go to: <https://www.sam.gov/>. A print out of the search status must be included in the Reconciliation Packet.

****Debarment:** *In accordance with several Public Laws and Executive Orders, an individual, institution or firm that is debarred, suspended or excluded from doing business with the Federal, State or local governments cannot participate in government procurements or receipt of particular government monies.*
<http://resadmin.uah.edu/resadminweb/information/compliance/complianceguide.html>

XI. MAKING A PURCHASE WITH THE GRANT PROCUREMENT CARD

Cardholder/P.I.:

- Determine cost of commodities and best vendor price

- Determine if the Purchase is Allowable under Contract/Grant
- Check debarment Status and print results
- Send a detailed email to CGA of commodities needing to purchase **
- Complete Travel Request form if out-of-state travel is required
- After approval, Purchase Commodities (Tax Exempt) with Grant Purchasing Card
- Retain Receipt from purchased commodities
- Provide purchase documentation, debarment printed results and CGA email approval to Department Reconciler

Reconcilers:

- Reconciler reviews pre-approved transactions and documentation
- Reconciler inputs proper ORG Account Code(s) in the P-CARD VENDOR SOFTWARE
- Reconciler allocates funds and Signs-Off transactions in the P-CARD VENDOR SOFTWARE
- Reconciler must review Reconciliation Log for signature compliance
- Reconciler sends completed packet to the Procurement Office for final review

*NOTE: ** The department is responsible for purchasing material and supplies according to the terms and conditions outlined in the fully executed agreement. Any cost that is deemed unallowable by CGA will be transferred to the default org listed on the original Procurement Card Application.*

Any questions related to allowability to a grant or contract should be directed to the [Office of Contracts and Grants Accounting](#)

XII. PROCUREMENT CARD VIOLATION POLICY

The P-Card is a corporate charge card. It is the Cardholder's and Department's responsibility to ensure that the card is used within the stated guidelines of the P-Card Program as well as Policies and Procedures relating to the expenditure of University funds. These Procurement Policies and Procedures include State Bid Guidelines, Spending Policies, and Travel Policies. The P-Card must **never** be used to purchase items for personal use or for non-University purposes even when the Cardholder intends to reimburse the University. The following point value has been assigned and will be assessed for P-Card violations discovered during routine audits of P-Card transactions and during a post audit of reconciled transactions. If a Cardholder accumulates a total of 150 points during any one Fiscal year, a card may be revoked, suspended, or permanently cancelled. In an event in which the department accumulates a total of 150 points times the number of Cardholders at any point during one Fiscal year, the department will

lose the privilege to utilize the P-Card Program. Mandatory retraining and a memo from the Department Approver or appropriate Vice President will be required to reinstate a Cardholder or Department.

Cardholder Point Violation:

PROCEDURE FOR POLICY VIOLATIONS

1. For the 1st violation, the cardholder will **not** accumulate any points. The Procurement Card Coordinator will contact the cardholder via telephone, informing them of the violation and will outline a future course of action in relation to the violation. The Procurement Card Coordinator will answer any questions or concerns in order to prevent any further violations.

2. For the 2nd violation, the cardholder will **not** accumulate any points. The cardholder will receive a letter from the Procurement Card Coordinator informing them of the violation and will offer additional assistance in order to prevent any further occurrences.
3. For the 3rd violation, the cardholder will receive the appropriate number of points in accordance to the violation. The cardholder will receive a letter from the Procurement Card Coordinator informing them of the violation, number of points accumulated, and a schedule for upcoming training classes. The cardholder will be required to sign and return the letter to Procurement Card Services. The cardholder will also be required to register for additional training. **(Note: Training reduces point total by half)**
 - ✓ *If a Cardholder or Department is violation-free for one year, their points will be reduced in half. If a Cardholder or department is violation-free for two years, their points will be eliminated. After three years, their violations record will be purged.*
 - ✓ *Procurement Card Services reserves the right to require retraining or to revoke cards for repeat violations.*

XIII. COMPLETING A PROCUREMENT CARD TRANSACTION

General

Determine whether the P-Card is the most appropriate process to use for the purchase:

- Check the list of Procurement Card Restrictions (Figure PC-7) to make sure it is not a restricted item.
- Determine if the intended transaction is for travel. If so, a Purchase Request must be created in the P-CARD VENDOR SOFTWARE .
- Identify whether a State or University contract is available that could be applicable to your purchase. **Contract information is available on Procurement Services' website at [Open Bid Information](#) or by calling a Procurement Officer who is responsible for the item(s) you wish to purchase. All University contracts must be honored. Approval must be obtained from a Procurement Officer to purchase items from a different source when they are available on a University standing contract.**
- **Sales and Use Tax: The Cardholder should advise the supplier of the tax exempt status and should monitor the purchases to verify that no**

tax is charged. (Hotel, Airline Tickets, Rental and Gas purchases are exempt).

Determine if the intended transaction is within the single transaction limit, and ensure it does not exceed your monthly authorized P-Card transaction limit.

XIII.1. Purchase Request for Travel

- Cardholder must provide information for travel request to the Reconciler.
- Reconciler will enter a Request (using vendor software) for travel approval on behalf of the Cardholder.

** Remember, a copy of the completed University Travel Authorization should be included with the Purchase Request.*
- Once the Purchase Request has been approved, the Reconciler will print a copy and give it to the Cardholder (Cardholder to retain a copy for his/her records along with a copy of the completed University Travel Authorization).
- **Immediately** after Cardholder has completed the trip, he/she will sign and forward all receipts for airfare, lodging, car rental, conference fees, and miscellaneous items (other than meals) to the Department Reconciler with the approved Purchase Request and a copy of the completed University Travel Authorization.
- Reconciler will allocate the transactions, approve, signoff, print a Summary Report, obtain cardholder's signature, and forward **copies** of all receipts for airfare, lodging, car rental, conference fees, and miscellaneous items (other than meals) to Procurement.
- Cardholder must submit reimbursement for meals on the appropriate travel voucher to Accounting(Out of State Travel Voucher.xls at <http://www.uah.edu/finance/forms>).

XIII.2. Placing Your Order

- Determine if the items to be ordered, pricing for each, and vendor.
- OPTIONAL: Complete a Procurement Card Transaction Form (Figure PC-9) for your records (not required).
- Call, visit, email, or fax your order to the supplier that you selected.
- Identify yourself as a UAH employee. State that you are making a tax-exempt purchase using a University Corporate P-Card (Corporate Credit Card). For

in-store purchases, present the vendor with the P-Card and miniature tax exempt certificate card. For telephone or fax orders, state the Cardholder name, P-Card account number, and expiration date. The University's State of Alabama tax identification number is located on the back of the P-Card. Remind the vendor that VISA regulations stipulate that vendors are to ship orders before processing transactions for payment. Confirm the pricing, availability, and expected ship date. Fax tax exempt certificate to the supplier if necessary. The Tax-Exempt Certificate is available online at <http://www.uah.edu/business-services/faculty-staff/procurement-services/forms> and click on "Sales Tax Exempt Form."

XIII.3. Billing Instructions

Emphasize to the vendor that the receipt copy is to be included with the shipment, preferably, or mailed to **YOUR** department billing address, not to the University's Accounts Payable office. Receipts can also be faxed to your department fax number or emailed to you.

XIII.4. Shipping Instructions

It is very important to provide clear and specific shipping and mailing instructions to the vendor to ensure receipt of your order. Always ask how the order will be shipped. All orders are to be delivered directly to Central Receiving and Shipping and should be addressed as follows, with the exception of NSSTC:

University of Alabama in Huntsville
ATTN: D. Mitchell / P-Card
Central Receiving Bldg
Building Name and Room Number
301 Sparkman Drive
Huntsville, AL 35899

- If the purchase is made by fax, retain a copy of the order form and fax confirmation for your records. If the purchase is made over the internet, print a copy of the summary page for your records. Some internet merchants will email a receipt to you.
- Ask the vendor to provide a "priced packing list" with each shipment; retain a copy of the P-Card sales slip and original receipt for each in-person purchase.
- Provide the supplier with your name, department name, phone number, and complete delivery instructions.
- After the order is placed, provide all transaction information to the Department Reconciler, including the Procurement Card Transaction Form (OPTIONAL:

only if receipt does not provide detail) with itemized list and pricing for all products ordered.

XIII.5. Acceptable Documentation

- Each transaction on the P-Card must be represented by an **itemized receipt or other acceptable form of documentation that verifies the date of purchase, the vendor name and address, itemized list of each item purchased, dollar amount of each item, and total transaction amount to include shipping and handling.** For record keeping purposes, the following items should be maintained:
 - ✓ Sales receipts
 - ✓ Priced packing slips
 - ✓ Credit card slips
 - ✓ Merchandise advertisements
 - ✓ Order confirmation
 - ✓ Other information related to the purchase
- When an itemized receipt is not available, itemized supporting documentation **must** be secured. In many cases, when placing orders by telephone or fax, the packing slip may provide the itemization needed.
- If documentation has been lost or misplaced, contact the vendor for a duplicate copy. If a duplicate copy is impossible to obtain, complete a "Procurement Card Missing Receipt Affidavit" (Figure PC-10) and forward it to the Department Reconciler. **NOTE: Repeated use of this method will subject the Cardholder to loss of privileges.** Each department will be required to maintain a file of all documentation associated with P-Card activity.

XIII.6. Receiving Your Shipment

- Open and inspect all shipments promptly.
- Make sure the supplier correctly filled your order and that all items are in good condition. Verify that you have received all of the items in the quantities specified on your P-Card receipt or priced packing list. Mistakes or damages should be reported to the vendor immediately.
- Verify that sales tax was not charged. UAH is not liable for sales tax in the state of Alabama. The University's tax liability in other states differs from state to state. Sales tax charges will be monitored and questioned. If you are charged sales tax in error, request a credit from the supplier immediately.

- Save the P-Card sales slip, itemized receipt or priced packing list, and shipping documentation.
- Always retain boxes, containers, special packaging, packing slips, etc. until you are certain you are going to keep the goods. Most items cannot be returned without the original packing materials. Also, most vendors have a thirty-day return policy. After that period, you may not be able to return your items or you may be charged a restocking fee.
- Forward the required documentation to the Department Reconciler within 72 hours of the purchase transaction.

XIII.7. Returns, Damaged Goods, Credits

The Cardholder is responsible for working with the supplier for the return of incorrect, duplicate, or damaged merchandise purchased with a P-Card.

- Read all enclosed instructions carefully. Often a customer service telephone number and other instructions are included on the packing slip and/or receipt for returns.
- Many suppliers require a "Return Merchandise Authorization Number" (RMA) before they will accept a return. If you neglect to acquire this return authorization from the supplier when it is required, the package may be refused and/or no credit issued to your account.
- In some cases, there may be a restocking fee. If the supplier is responsible for the error or problem, you should not have to pay this or any other fee. However, if they are not responsible, you may have to pay it. You may use the P-Card to pay this fee as long as it does not exceed any of your limits.

Note: See Merchandise Return Procedures for Supplies (Figure PC-13 & 14) for more specific instructions on returning supply orders.

XIII.8. Order Entry and Reconciliation with P-Card Solutions Management Software

The P-CARD VENDOR'S solution management software is the third party software provided to the University by the Procurement Card Vendor to manage the P-Card Program. It provides a method to track active orders, reconcile transactions to on-line the Procurement Card Vendor's transaction data, and acquire reports based on selective criteria. the Procurement Card Vendor's transaction data is downloaded on a daily basis enabling large users of the P-Card Program to reconcile as often as they deem necessary. Reconcilers have easy access to the transaction activity for each P-Card for which they are responsible.

XIII.9. Disputed Transactions

If there is a discrepancy on the P-Card monthly statement, you should first contact the vendor to try to resolve the problem. If it is resolved, verify that the correction has been made when the next monthly statement arrives.

If the matter cannot be resolved with the vendor:

- Contact the Procurement Card Vendor or Procurement Card Services.
- Any disputed items reflected on the monthly statement must be reconciled and allocated to a Banner FOAPAL at that point. Any credits resulting from disputes will be allocated back to the account initially charged.

Vendors are paid by Visa within three (3) days of submitting the P-Card transaction data to VISA, while the University pays the Procurement Card Vendor for all card purchases once every 30 days.

XIII.10. Erroneous Declines

A situation may occur in which a vendor receives a transaction-declined message at the point of sale when processing a P-Card transaction. If you do not know the reason for the decline, contact the P-Card Vendor for an explanation. If the decline was in error, the Cardholder should immediately contact the Senior Procurement Card Site Coordinator for assistance. If the purchase is being made outside of normal business hours, the employee must find an alternate payment method or cancel the purchase and contact the Senior Procurement Card Site Coordinator during normal hours.

XIII.11. Controls

The University's P-Card program uses both internal management controls and management reports designed to ensure the proper use of P-Cards. Procurement Services, Accounts Payable, and Internal Auditing use management reports to monitor card use for compliance with University policies and procedures and state law. Personal use of the P-Card is not allowed. All purchases made on the card must be for Official University business. Misuse of the card will result in revocation of the card, disciplinary action up to termination, and possible filing of criminal charges.

P-Cards will be immediately cancelled and destroyed if Procurement Services is notified that:

- Cardholder terminates employment

- Cardholder no longer requires a P-Card
- Cardholder reports the loss or theft of P-Card
- Cardholder misuses the P-Card
- Termination of any grant, contract, or budget authority for which the card was issued

Internal control plans call for periodic internal audits of the program by Procurement Services. These audits will include, but are not limited to, the verification of proper record retention in accordance with University guidelines, monthly reconciliations, and the appropriateness of the purchase as well as unannounced audits.

XIII.12. Department Control Environment

Each department is responsible for establishing an appropriate internal control environment for University P-Card responsibilities, including approvals, audit ability, adjustments, record keeping, reporting, reconciliation, segregation of duties, and supervision.

XIII.13. Canceling an Account

When a Cardholder leaves a department or separates from the University, the Budget Manager or Approving Official must provide immediate notification to the Senior Procurement Card Site Coordinator. The Cardholder is required to return the card and all current outstanding documentation on the account to the assigned Reconciler prior to final separation. The Approving Official or Budget Manager shall forward the card (cut in half) along with a memorandum or email to the Senior Procurement Card Site Coordinator requesting that the card be cancelled.

XIII.14. Changes to an Account

All changes to a Cardholder's personal information must be promptly reported to the Senior Procurement Card Site Coordinator, including changes in last name, campus location, campus telephone number, reconciler, approving official, or default account number.

XIII.15. Renewal of Existing Procurement Cards

A new P-Card will be automatically sent to the Senior Procurement Card Site Coordinator within the month of expiration in advance of your current card's expiration date. Renewed cards will be distributed by the Senior Procurement Card Site Coordinator to existing Cardholders.

XIII.16. Procurement Card Vendor's Customer Service

MERCHANDISE RETURN PROCEDURES:

All returns for items ordered and received against University of Alabama in Huntsville Procurement Cards are the responsibility of the **ordering department** in accordance with the following procedures.

1. Department personnel are responsible for completing the Return Merchandise Authorization (RMA) form (Attachment 12). The Department Information section of the Return Merchandise Authorization form should be completed first with all pertinent information.
2. Department personnel will contact the vendor to complete the Vendor Information section of the RMA form including any special return instructions and to negotiate shipping charges if applicable. As a rule, the vendor will pay for return shipping for incorrect, duplicate, or damaged items. If the vendor is paying for the return shipping, a Return Authorization number will be given or an ARS (Authorization Return Service) label will be provided to affix to the outside of the package.
3. Department personnel must package the item(s) to be returned as instructed by the vendor including proper address and special instructions, if any. **REMEMBER** *it is very important to retain the original packing for repackaging. Some vendors will not accept return if the merchandise is not in the original packing. Also, in the case of a damage claim, the shipper will often come by to inspect the packaging to see if there is damage to the container.*
4. **PREPAID RETURNS:** Department personnel must request pickup by Central Receiving for all prepaid returns. Fax a copy of the completed Return Merchandise Authorization form to Central Receiving giving the building, room number and contact person for the pick-up. Central Receiving will schedule a pick-up of the return. Be sure that the package(s) is ready for pick-up at the time Central Receiving is notified. Department personnel will ask the Central Receiving representative to sign and date the original copy of the RMA form for proof of pickup of the merchandise.
5. **UAH PAID RETURNS:** If the method of return is to be paid by the returning department, the Department Personnel will complete the RMA form, package the item to be returned as instructed by the vendor, and complete a Campus "UPS Shipment" form. Receiving personnel will pick up the package(s) on their regular routes for return to the vendor or shipper by the appropriate method. Department personnel will ask Receiving personnel to sign and date the copy of the RMA form at the time of pick-up as their receipt for pickup of the merchandise.
6. Return shipments paid by the University must be insured for the actual value of the items in case of loss, theft, or damage. NOTE: UPS automatically insures packages up to \$100.00 at no extra charge. Additional insurance is available for an additional charge.
