

Animals on Campus

Emotional Support Animal

Only allowed in student's personal residence and public areas outside

Must register and be approved by DSS before coming inside the residence hall

No animal or breed restrictions

Must be recommended for the disability by practitioner

Dogs and cats must have rabies & city licenses

Letter of health required annually

Comforts with its presence

Must be under control of handler

Must be housebroken

Service Animal

Goes everywhere the student goes
Does not register with DSS ever

You can ask two questions:

1. Is this dog a service animal required due to a disability?
2. What work or tasks has your dog been trained to perform?

Dogs only

No documentation required

No vest required

Trained to do a specific task

Must be under control of handler

Must be housebroken
