

Dear Student,

As you may know, UAHuntsville has partnered with [EverFi](#), whose mission is to help students address critical life skills such as alcohol abuse prevention and financial literacy, in high schools and higher education institutions across the country. Each year over 1/2 million students complete these courses.

As part of our comprehensive prevention program for new students, UAHuntsville expects each member of the first-year class to complete AlcoholEdu for College and Buttonwood Financial Literacy. Both of these courses will empower you to make well-informed decisions about alcohol and your personal finances – two issues that affect your college years and beyond.

Your login directions are included in this communication. You will need a computer with Internet access and audio capabilities to complete them. If you do not have access to a computer, the UAHuntsville library has several available for your use. Library hours can be found online at uah.edu/library.

All first year students are required to complete AlcoholEDU for College and Buttonwood Financial Literacy by **August 16, 2013**. Students will complete Part 2 of each of the modules as part of the First Year Experience class. Completion of the modules is included in the grading for this class.

Should you experience any difficulties or require support, the EverFi Technical Support Center is available 24 hours a day, 7 days a week. Simply click on the “Technical Help” button located in the upper right-hand corner of every course screen.

Thank you, and enjoy the courses!

Sincerely,

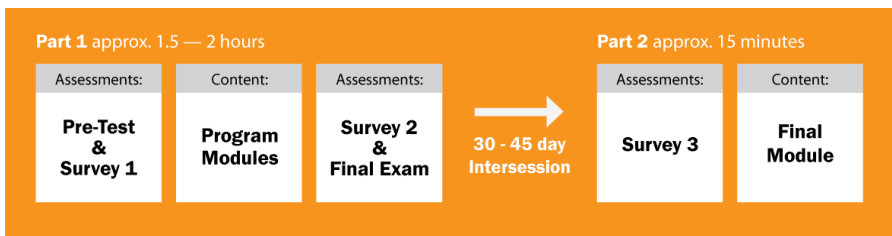

Regina Young Hyatt, PhD
Dean of Students & Associate Vice President for Student Affairs
