<i>Name</i>	<i>Classification</i>	<i>Personal Statement</i>
Garret Ake	Freshman	I want to help UAH and help better myself as a leader and a person. My goals are to do whatever it takes to help UAH.
Elliot Wheaton	Freshman	My name is Elliot Wheaton and I am running for the privilege to serve on the Student Government Association. I am seeking a senator position because I am proud to be a Charger and I want to make UAH the best it can be. My goals is to help students have the best UAH experience possible and too increase how student's voices are heard. Also I would like to utilize the vast resources at UAH's disposal to have as much of campus involved as possible.
Austin Finley	Sophomore	I have always wanted to be apart of SGA here at UAH because I believe I have the dedication and passion it takes to be a member of this exceptional organization. I am involved around campus including Lancers, Sigma Nu Fraternity, LEAP, Week of Welcome, Alpha Lambda Delta Honor Society, Sigma Alpha Pi Leadership Society, and Interfraternal Council. I believe my experience with working in these organizations qualifies me to be a informed and active advocate of SGA. My goals are quite simple, yet very important;

Michael Gvodas	Sophomore	<p>I hope to continue improving student life here at UAH to make the university the best it can be. This university is growing at a tremendous rate, and I want to be apart of the biggest and most influential organization on campus, where I truly believe I can make a difference.</p> <p>Working with and being a part of the Student Government Association has been a wonderful experience for me. It feels really good to be known as a contributor to some of the great things that have evolved on our campus, and I would love to continue being a part of this organization and do more to help our campus grow.</p>
Michael Maddox	Sophomore	<p>In serving the SGA, I would like to help embody and furnish the complete student experience at UAH. Creating an environment filled with learning, camaraderie, and personal development is what a university and its SGA are intended to do. Presenting myself as both professional and congenial is of the utmost importance, and I believe maintaining these qualities maximizes both efficiency and satisfaction. I strive to provide the most enjoyable experience for students at UAH, and give back to my community however possible.</p>
Kristin Monaco	Junior	<p>I am currently serving on the SGA Senate for the Spring 2014 semester, and I would like to continue being an active member. I love to meet new people and always listen for any complaints or concerns that I could help students address. My main goals include helping students feel safe, comfortable, and happy with their experiences at UAH. My main focus will be to reach out specifically to new/transfer students, along with addressing other concerns that I might encounter.</p>
Luke Murphy	Junior	<p>My goals for serving in SGA are to help make changes for the students of this university. I want to join SGA to make new friends and become a more well rounded student.</p>
Henry Wheaton	Junior	<p>My name is Henry Wheaton and I am</p>

Ayesha Iqbal	Senior	<p>running for the privilege to serve on the Student Government Association. I am seeking a senator position because I am a proud Charger who wants to make UAH the best it can be. My goals are to increase how student's voices are heard so that all students get the best experience at UAH. Also I would like to utilize the vast resources at the UAH's disposal in a manner that reflects the progressive attitude on campus.</p> <p>I would like to be a part of SGA again as a Senior Senator for the 2014-2015 year, so that I can stay involved and make a difference on this campus. I have been a part of SGA since my freshman year and would love to represent all the seniors for my last year at UAH! I am willing to put in my time, effort, hard work, and positivity to make UAH a better place for students, faculty, and staff.</p>
Kareem Omar	Senior	<p>As a UAH Engineering Senator, I hope to serve by connecting our engineering students to Student Government, letting their voices be heard to help improve the Engineering program and campus as a whole. I am committed to listening to the student body and working tirelessly to improve the UAH experience on their behalf.</p>
Brittany Searcy	Senior	<p>I believe being involved in your local government is an essential part of living in a community. I love our UAH community and would like the opportunity to serve it through SGA. Involvement in student organizations is an essential part of the college experience. As an SGA Senator, I'd be able to assist students, freshman-graduate, in finding organizations that will provide a positive college experience. Being an SGA Senator, I would have the ability to share the opportunities I've received by my involvement in different organizations at UAH. My involvement gives me a wide range of perspectives about likes and dislikes on campus. As an SGA senator I will express those perspectives and help apply them to</p>

Graduate Student

student life. My goal is to make a positive impact by being a leader in our UAH community. I hope you choose me as your COE representative for the 2014-2015 academic year.

I am interested in SGA because I enjoy helping my community and would like to be a voice for the students of UAH. While in office, I would like to make sure students are treated more fairly and student organizations receive funding needed to run.
