<i>Name</i>	<i>Classification</i>	<i>Personal Statement</i>
Kadeidra Bowie	Sophomore	As a current SGA Senate member, we were able to get a lot of things done this year. We helped benefit the students on campus in tremendous ways and I would like to continue in that effort for the next school year. I enjoyed serving on the Senate for my school and I hope I am elected to do it again. Thanks!
Hisham Haqq	Sophomore	I wish to support my school in any way I can to ensure a better future for the school.
Chanty Jackson	Sophomore	I am interested in serving on SGA because I love making a difference in a person's life and meeting the needs of others. My goals for my term of office will be to make sure that every student's voice at UAH is heard and to also make sure that every student is getting the experience that they deserve.
Dylan Owens	Junior	This year will be my fourth year as serving on the SGA Senate, I will continue to strive to represent the every student of UAH. With the university growing it is important to see the growth happen with current and future students in mind. Great things will be happening in the next couple of years as projects start to become completed. I want to make sure that student body's opinions will be a factor in all decisions.
