# VA Benefit **BLUE FORM** Now Online

Starting with the Fall 2013 semester, the Veterans Enrollment Form (Blue Form) will be available online in Banner Self-Service. You must request to use your benefits for **each term** that you want to use VA Educational Benefits. This process is separate from WAVE, and it cannot replace the WAVE verification for students receiving Chapter 30, 1606 or 1607 benefits.

How to Request Your VA Educational Benefits

1. Log in to Banner Self Service at http://register.uah.edu using your Charger ID (first part of UAH email before the '@') and ChargerNet password.
2. Once logged in, select Financial Aid then UAH Veterans Semester Enrollment Form (Blue Form)
3. You will be directed to the online Blue Form, where you will indicate the term and courses to be certified.
   - For summer, indicate the appropriate term for each INDIVIDUAL course in the Special Instructions box.
   - Only two HPE courses are permitted unless otherwise approved.
4. After completing the form, scroll down to select SUBMIT – Failure to complete this step will delay certification of courses.
   - Completing this form will not certify you with the regional VA office; however, it does tell the UAH- VA certifying official that you wish to use your benefits for the term(s) you have indicated.
   - After the form is received, the certifying official will send your enrollment certification (22-1999) for the term(s) you are enrolled to the regional Veterans Affairs Office in Muskogee, Oklahoma.
5. You will receive an email notification when your enrollment certification has been processed.
