

# CHARGER CHECKLIST

## ACADEMIC ADVISING

Meet with Your Academic Advisor [uah.edu/academic-advising](http://uah.edu/academic-advising)

- Transfer students are encouraged to meet with an academic advisor prior to completing Transfer Online Orientation to discuss class selection and any transfer credit.

UAH seeks to offer degree programs and course offerings in every state, working through the National Council for State Authorization Reciprocity Agreement (NC-SARA) where applicable, or directly with states to ensure that required approvals are secured. The state of Alabama is a member of NC-SARA, and UAH is an approved NC-SARA institution. If you are pursuing a 100% online program, or choose to take all courses online, please ensure that you are residing in a participating NC-SARA state. Please note, the state of California does not participate in the SARA agreement at this time; therefore, students residing in this state cannot pursue an online degree or online courses. For more information about NC-SARA, including policies for experiential learning and professional licensures, please visit <https://www.uah.edu/academic-affairs/offices/oirea/state-authorizations>.
