3. Receive email notification that an application has been received.

THE UNIVERSITY OF
ALABAMA IN HUNTSVILLE

An application for Charger Blue has been submitted.

Thank you for applying for the 2024 UAH Discovery Engineering Summer Camp program for 5th and 6th grades the week of July 15, 2024.

Your application (and scholarship request, if any) will be reviewed and we will contact you via email with decisions on your application(s).

If you are accepted for camp, you will receive an email that will include your camp fee due (minus any scholarship received) and instructions for payment. You will also receive general information about attending camp.

Registration is NOT confirmed until receipt of payment.

If you have any questions, please email eng_camps@uah.edu.

Thank you,

UAH Engineering Summer Camp Staff

4. Wait for the UAH Summer Camp Team to review the application and any scholarship requests.

5. Receive an email notification regarding payment instructions if accepted to camp. You must submit your payment within 5 days of acceptance notification to secure your student's spot in the camp. Any unpaid applications past 5 days will be deleted and will require another application.

THE UNIVERSITY OF
ALABAMA IN HUNTSVILLE

Hello,

Charger Blue has been accepted for the 2024 UAH Discovery Engineering Summer Camp - July 15-19. A payment of \$175 is now due. If payment is not received within 5 days, you will have to reapply.

Please note that their registration will NOT be confirmed until payment is made.

Please pay at the link given below.

Thank you,

The UAH Engineering Camp Team

6. Wait for the UAH Summer Camp Team to review the payment.
7. Receive an email notification confirming your student for camp.

THE UNIVERSITY OF
ALABAMA IN HUNTSVILLE

Congratulations!

Charger Blue is now fully registered and confirmed for UAH Discovery Engineering Camp taking place July 15-19.

We look forward to an exciting week of hands-on fun.

Be on the lookout for emails with complete details as the event approaches.
